FALCON 3.0™

Disk Exchange Coupon

Thank you for purchasing *Falcon 3.0*. If your computer system requires a different disk format than the one provided, you can exchange your original disks within 60 days by using the following procedure:

1. Complete and return the enclosed **Registration Card** if you have not already done so.
2. Complete this **Disk Exchange Coupon** by filling out the information at the bottom of this sheet.
3. Choose one of the following disk formats. (Note that the 720K 3½" version is five dollars more. This is because it requires nearly twice as many disks as the other versions.) Circle one of the following:

IBM	**IBM**	**IBM**
1.2MB 5¼"	**1.44MB 3½"**	**720K 3½"**
$9.95 (5 disks)	**$9.95 (5 disks)**	**$14.95 (9 disks)**

   Please send a check, money order or Visa/MasterCard number only. (International orders must use Visa/MasterCard because these orders require additional postage which will be added at time of shipping.)
4. Send the **original disks**; your check, money order or Visa/MasterCard number; and this coupon to the following address:

Spectrum HoloByte
Attn: Falcon 3.0 Disk Exchange
2490 Mariner Square Loop
Alameda, CA 94501

If you have any questions about this offer, please call Spectrum HoloByte Customer Support at (510)522-1164. Please allow 3–4 weeks for delivery.
